Your membership helps to support so many wonderful programs. Do you also have a few minutes to volunteer? Let us know how you can help! We appreciate anything you can do, and so do your children. Please **circle** activities which interest you, and we'll contact you about helping.

Manners Tea- On February 14th, PTA volunteers transform the media center into a tea room, and each class celebrates with sweet treats as good manners are taught and enjoyed.

Dads and Doughnuts– During the spring, the PTA will sponsor an activity in which dads will come together to celebrate learning with their children while downing doughnuts.

Book Fairs– During our SEP conferences and throughout the year, Scholastic sends us books. Volunteering to help with these fairs benefits our library and our students.

Fall Festival– This will be Hillcrest Elementary PTA's fun celebration and fundraising activity. Volunteers will help this evening to be sure that all of the activities that the PTA sponsors throughout the year are funded.

Literacy Nights– Several times a year, parents, students and teachers meet at the school during the evening to celebrate literacy and reading.

Hillcrest Family Relay– The PTA sponsors an activity in May in which students and their families gather in the evening to celebrate the joy of physical activity.

International Week– During the Spring, the PTA sponsors a week of understanding in which students learn about the countries and cultures that make up the student body of Hillcrest.

General Volunteer– The PTA is always interested in parents who are willing to volunteer in any way necessary. We'll call as need arises!

Moms and Muffins- During the fall, the PTA will sponsor an activity in which moms will come together to celebrate learning with their children while munching on muffins.

Unable to volunteer at this time? Consider contributing financially in order to show your support for all of the PTA-sponsored activities which benefit your children. Please include your donation with your PTA membership above.
